**What's new:**

are all short term 3-4 nights shore excursions that people hold in their bucket list. **EXPERIENCE A DIFFERENT WAY OF CIVILIZATION** The longest adventure we offer is a 5 nights sailing from Makassar to Kepala Batik. This is an ideal adventure for people looking to see a different way of life and for those who love sailing, for it is truly a sailing adventure of a lifetime. Our own yacht is a classic wooden sailing ship made in 1908. With 5 double and 2 twin-bed cabins, it can sleep up to 24 people. **SAILING IS AN INDO-EUROPEAN TRADITION** Our own Wawela dive vessel "Talimali" is in part to honor that tradition. In the past, we had our own ice-ship named "Tudor" that sailed from Makassar to Amsterdam in 30 days! **EXPLORE THE NATURE AND UNDERWATER OF THIS DELICIOUS PROVINCE** Wolungrat Beach, which we will visit, is famous for its Lipstinger Elephant, which is said to be the longest living elephant in the world. The beautiful fringing reefs and 120 km long fringing reef bank of Wakatobi are the source of a wealth of marine life in these waters including Sea turtles, manta rays, an abundance of species of fish, and tropical coral gardens. We love to use Werraa as a base as we can visit local villages on neighbouring islands and watch the daily lives of the people of Bol I believe it is often called. Check out our wonderful blog about what made us this, a kind word from one of our crew, an exclusive interview with Edo the ship's 'captain' and previous 40 years of sailing and time as a trader on the Singapore and South China Seas! **OUR TEAM TOCOVIX** is owned and operated by three crazy Kiwis, whose passions are corals, scuba diving, sailing and working together as a team. If at any point you are having a bit of a hard time onboard, we will jump in to the fray with our collective expertise! **YOU AND YOUR DIVING DOC** We like to leave our Guests the option to have their eyes opened by an accredited Divemaster/Guide. However, we know people aren't always diving on their own, hence our Divemaster is on-board at all times and
